Dear Chair DeFazio and Ranking Member Graves,

I am requesting funding for the Park City Arts and Culture District Roadway and Connectivity Project in surface transportation reauthorization legislation.

The sponsor for this project is Park City Municipal Corporation, and the project will be undertaken on Homestake, Munchkin, and Woodbine roads in Park City, Utah 84060.

The funding is designated to reconstruct the roadway and perform improvements and upgrades on the aforementioned roads.

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the community by improving walkability to and through the planned Arts and Culture District, opening up multimodal connections between the busiest Park Avenue bus station in the County and the developing Arts and Culture District, and promoting transit use by providing a seamless connection from nearby transit stops.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blake Moore
Member of Congress
